

SW INDIANA CROP SEMINAR

Managing for 2023 and Beyond

January 17, 2023

6:00 - 9:00 PM EST

Dubois County 4-H Fairgrounds
4157 S. State Road 162, Huntingburg, IN

Tight margins in 2023 and beyond will pose challenges to producers across Indiana. Join us as we discuss corn and soybean management strategies producers can use to reduce key crop inputs, maintain current yields, and retain current rental fields in their row crop operations.
